Dear Sir/Madam,

Update on Enhanced Competency Framework on Cybersecurity

I am writing to announce the inclusion of a new designation to the list of recognised certificates of the Enhanced Competency Framework on Cybersecurity (ECF-C).

The ECF-C sets out the competency standards for cybersecurity practitioners in the Hong Kong banking industry. We have updated the Guide to the ECF-C by including the Associate Cybersecurity Professional designation of the Hong Kong Institute of Bankers as an additional option available to banking practitioners for meeting the Core Level of the ECF-C. Updates are shown in blue in the attached Guide.

If you have any enquiries relating to this circular, please contact Ms Ivy Yong on 2878 8495 or Miss Rita Kong on 2878 8303.

Yours faithfully,

Daryl Ho
Executive Director (Banking Policy)
