Submission through Electronic Media (STEM)

Further to our letter of 18 January 1997 introducing the revised statistical returns endorsed by the Working Group on Regulatory Reporting, I am pleased to inform you that we have developed the revised version of the STEM software for the new reporting effective from April 1997.

The STEM software will be available for your collection in early April. We will give authorised institutions a short briefing session on the new software during the period of 7 and 9 April 1997 at the HKMA's Quarry Bay Office. The new STEM software will be distributed at the briefing. Please refer to [Annex 1](#) of this letter on the venue of the briefing and the date and time of your briefing session.

If you will not be able to send your representative to attend the briefing session, you can collect the software by presenting the bearer letter ([Annex 2](#)) duly completed to the Public Registry of the HKMA at 29/F, Asia Pacific Finance Tower, 3 Garden Road, Hong Kong. The software will be available for collection from 7 April 1997.

For any questions regarding this matter, please contact **Mr LAM Si-chun (2878 1682)** or **Mr William HUI (2878 8176)** of this office.
